Organised by:

CBIP Centre of Excellence

INTRODUCTION

Knowledge of the financial aspects, which helps in decision making, is the key to success. It is important for a senior professional to be conversant with financial-decision making tools, which helps them to analyze a given financial statement, understand the nature of cost and ways to reduce cost, take pricing decision, decide a product mix and opt for the best option suiting the financing need.

Keeping all these aspects in mind, Central Board of Irrigation and Power is organizing a Two days training program on **Finance for Non- Finance Executives** which will include deliberations to understand and analyse financial statements as well as grasp the basic fundamentals of finance and accounting. This program provides awareness and understanding of the ways finance affects their business objectives

PROGRAMME OBJECTIVE

The participants will get familiar with the form, content and analysis of financial statements and the main accounting principles and techniques. The program may also help in the improvement of organizations' performance by pointing out the importance of cost control, breakeven and variance analysis. After attending the program, participants will be able to communicate comfortably with Financial Executives and discuss the financial performance of the organization effectively.

Decoding financial concepts and developing the ability to see the business implications of numbers is a key outcome of this program, which aims to help participants:

- Understand the implications of finance on various corporate activities
- Understand and analyse financial statements
- Be in a better position to discuss relevant financial issues with finance managers/stakeholders in their organisation
- Understand the impact of various decisions on a company's performance
- Get practical insights and gain swift appreciation of the fundamentals of finance and accounting.

Participants shall be awarded a certificate of participation from Central Board of Irrigation and Power, a pioneer organization in the field of Power, Renewable Energy and Water Resources sectors and accredited training institute by ministry of Power, Govt. of India.

METHODOLOGY
