

Hands-on Training on HV and EHV Switchgear

12 - 14 June 2019

Venue : ABB Power TEC™, ABB India Ltd.
Maneja, Vadodara

REGISTRATION FORM

(To be filled in block letters preferably)

Delegate _____
(Surname) (First Name)

Designation _____

Name of Organisation _____

Mailing Address _____

City _____

State _____ PIN _____

Phone _____ Fax _____

E-mail _____

Dated _____ Signature _____

Registration Form, duly filled in, is to be mailed to the following address:

TRAINING SECRETARIAT

V.K. Kanjlia

Secretary

Central Board of Irrigation and Power

Malcha Marg, Chanakyapuri, New Delhi 110 021, India

Tel : 91-11-26115984/26116567 Fax: 91-11-26116347

Note:

- Photocopies of the registration form can be used for additional requirements, if any.
- Spot registration facilities will also be available, provided the prior information is received.

Hands-on Training on HV and EHV Switchgear

12 - 14 June 2019

Venue : ABB Power TEC™, ABB India Ltd.
Maneja, Vadodara

Organised by

**Central Board of Irrigation & Power
New Delhi**

in association with

ABB

Vadodara

BACKGROUND

Central Board of Irrigation & Power (CBIP) a premier Institution, setup by GOI in 1927 is serving the nation in the disciplines of Power, Renewable Energy and Water Resources Sectors for more than 92 years.

It is an exchange and knowledge bank for dissemination of technical knowledge & professional experience to help Engineers/ Professionals to update their knowledge and gain practical know-how.

CBIP's main objective is:

- to disseminate technical knowledge through various modes, e.g., publication of technical documents, organizing conferences /workshops
- to provide specialized training to the professionals in the Power, Renewable Energy and Water Resources Sectors.

CBIP realizing the importance of competency development and with the aim to create large reservoir of highly qualified manpower in all fields related to engineering, technology & technology management has recently signed an MoU with ABB India Ltd. for jointly providing hands-on training to the professionals for skill development.

As the hands-on training help to understand the concepts, it is important to blend the practical demonstrations with theory for engineers to put the knowledge into practice. This is challenging as the equipment installed at working substations are not available for experimentation and exploring the same to test different concepts and theories learnt. Hands-on training will help participants to explore and see the concepts working in the field. These trainings will help the participants to effectively perform with higher productivity and bridge the gap between today's industry demand of highly adaptive workforce and competency development needs thereby creating excellency in the industrial working.

It is with above aim the CBIP is organising a hands-on training on HV and EHV Switchgear from 12-14 June 2019. The eminent faculties from ABB and other invited experts on the subject will deliver the presentations covering following topics:

- Interrupting principles
- Breaker components: interrupters and operating mechanisms.
- SF6 properties, SF6 gas filling and handling.
- Overview of erection, commissioning,
- Operation, Maintenance and troubleshooting
- Role of instrument transformers,
- Design Parameters, Magnetization, Ferro resonance
- CT & CVT selection parameters

- Manufacturing & Testing
- Storage, Transport, Installation, operation – Do's & don't commissioning
- Maintenance & troubleshooting

Venue for the Course : ABB Power TEC™, ABB India Limited, Maneja, Vadodara – 390013

WHO SHOULD ATTEND?

The training program is open to various utilities and industry organizations/ individuals in the field of power system.

COURSE FEE (REVISED)

- The duration for the training will be for 3 days.
(a) Without Accommodation and Transport
- The revised registration fee will be Rs 10,000/-day / participant (after giving discount of Rs 2000/-) + 18% GST. It will cover the professional fees, working lunch, Tea / coffee/snacks during the course.
(b) With Accommodation and Transport
- In case of participants requiring hotel accommodation, the revised registration fee will be Rs 13,000/-day/participant (after giving discount of Rs 2000/-) + 18% GST. It will also cover the accommodation on twin sharing basis for 3 nights from 11 to 13 June (Checkout on 14th June), dinner in hotel and local transport from place of stay to the venue.
- Accommodation on Single sharing basis can also be arranged on additional charges from the individual.
(GST No. 07AAAJC0237F1ZU)

TO REGISTER

The participants, desirous of attending the above training may register themselves by sending the Registration Form to CBIP alongwith necessary payments.

PAYMENT

Payments of registration fee should be made by cheque at par/Demand Draft drawn in favour of "Central Board of Irrigation and Power", payable at New Delhi or by transfer the amount to HDFC, Bank, **Address** : 209-214, Kailash Building, 26 Kasturba Gandhi, Marg, New Delhi 110001, Saving Bank Account No. : 00031110004411; Swift Code: HDFCINBBDEL; IFSC: HDFC 0000003 MICR Code: 110240001

Address for Correspondence

V.K. Kanjlia, Secretary, CBIP **P.P. Wahi**, Director, CBIP
Nodal Officer : **Shri I.B. Srivastava**, Adviser, M : 8130759549,
