International Tutorial (Online) Accessories for HV Cables with Extruded Insulation

Under the aegis of CIGRE NSC B1 on Insulated Cables

24th September, 2020 at 15:00 Hrs. (90 Minutes)

International Speaker

Mr. Geir Clasen, (NORWAY)

Convener, CIGRE – SC B1

Tutorial Advisory Group

Specialist for HV/EHV cable testing

Mr. Geir Clasen works as a senior specialist for HV/EHV cable testing in Nexans High Voltage laboratory in Halden, Norway. He received B.Sc. in Electrical Engineering from University of Strathclyde in Glasgow and M. Sc. in Pulsed Power and Laser Engineering from St. Andrews University.

He joined Nexans (former Alcatel) in 1991 and has been working in several positions within the High Voltage laboratory. He specialises in all kinds of cable testing (development, type, routine and on-site testing). He is an active participant in CIGRE working groups and has participated in issuing 6 Technical Brochures. He currently is convener of Tutorial Advisory Group of SC B1.

Organizer

In Association With

Tutorial conducted on

Introduction

The reliability and performance of a cable circuit is dependent of design of the cable and accessories and on the skill and experience of the person who is assembling the accessory. The cable insulation is extruded in the factory under controlled process conditions using materials of high quality. It is of equal importance that the same quality measures are employed for the manufacturing of accessories and their assembly on site.

Chairman

CIGRE NSC B1 on

Insulated Cables

Mr. Lalit Sharma, COO

KEI

Key Takeaways

- Compatibility of materials.
- Metallic screen bonding requirement and earth currents.
- Environmental protection/mechanical forces /climatic condition.
- Type, routine and after laying testing /Quality Assurance Schemes.
- Maintenance of accessories.
- Cost considerations.

Facilitation Charges

Category	Fee in INR	
	CIGRE Members	Non Members
Individual Per Login	1,000/-	1,200/-
Institution Logins		
Up to 50 Login	27,000/-	35,000/-
Up to 25 Login	15,000/-	20,000/-
Students	500/- per login	

First 25 students will be given one year membership of CIGRE to have access to 10,000 Technical Report available on e-CIGRE library.
Note: 18% GST extra for all categories.

To Participate

Please send following details along with requisite charges to CIGRE-India:

Name___, Designation ___, Organization ___, Mailing address___ and Mobile / Fax/E-mail___

Bank Details for arranging Payment (GST No. 07AAAAZ0260A1Z1)

Vender Name: THE COMMITTEE FOR THE INTL CONF ON LHVES

Bank Name: Canara Bank, 7/48, Malcha Marg, Chanakyapuri, New Delhi-110021

A/c: Saving; Bank A/c no.: 0157101031491; IFSC: CNRB0000157

MICR: 110015007; PAN: AAAAZ0260A; Swift: CNRBINBDFS

A link to join the tutorial will be provided to registered participants a day prior to the event.

Participant will be given certificate of participation of the tutorial.

The program is limited to 200 participants. Which will be on First cum First serve basis.

Central Board of Irrigation & Power, Malcha Marg, Chanakyapuri, New Delhi - 110021
