ANNOUNCEMENT

The Committee for CIGRE-India in its capacity as National Committee for CIGRE and Central Board of Irrigation and Power under the aegis of CIGRE NSC B1 are organizing International Tutorial and Conference on High Voltage Cables, Accessories, Installation & Field Experience, 29 - 30 April 2020, New Delhi

TOPICS

HVAC & HVDC Cable Systems

- Design, manufacturing, installation techniques and operation.
- Advances in testing and relevant experience.

HV Cables, Field Experiences

- Operation and Maintenance, technology transfer to the next generation.
- Monitoring technologies, decision making criteria and diagnostic tools.
- Environmental challenges for future cable systems.
- Longer lengths and higher voltage levels for AC and DC Cables.
- New Technologies & Workmanship in Power Accessories.
- Case Study on Power Cable System from Govt. and Private sector Utilities
- Case Study on 400 kV Grade EHV Cable System from Hydro Power Sector

Experts who desire to present paper/case studies on above topics are welcome to submit their papers by 15th April 2020.

DATES AND VENUE

The International Tutorial and Conference will be held on 29 - 30 April 2020 at Vishwa Yuvak Kendra, Teen Murthi Marg, New Delhi, The International Conference timings will be 10.00 AM to 5.30 PM. The registration will start at 9.00 AM on 29 April 2020.

WHO SHOULD ATTEND

Power Utilities, Transmission and Distribution Cos. (Govt. and Private), EPC Companies, Cable Manufacturing Cos., Cable Machines, Equipments and Material Producers, Research and Academic Institutions etc.

REGISTRATION FEE

Registration fee for the delegates is as follows:

- (i) Rs. 12,000/- per participant.
- (ii) Rs. 10,000/- per participant for members of CBIP and CIGRE.

GST 18% extra. (GST No. 07AAAJC0237F1ZU)

The Registration fee covers the registration kit, tea/coffee/lunch during the International Tutorial and Conference. The International Tutorial and Conference is non-residential. Participants will have to make their own arrangement for travel, boarding and lodging, etc. All payments be made through DD/ cheque at par in favour of 'Central Board of Irrigation & Power', payable at Delhi or amount deposited/ transferred to :

CBIP A/c no. 00031110004411 MICR No. 110240001

HDFC Bank, Swift Code : HDFCINBBDEL

IFSC: HDFC 0000003, Address: 209-214, Kailash Building, 26 Kasturba Gandhi Marg, New Delhi 110001

The perspective participants, desirous of attending the International Tutorial and Conference may register themselves by sending the Registration Form to CBIP along with necessary payments.

SPONSORSHIP OPPORTUNITY

Sponsors are assured of full visibility with printing of their names on proceedings and banners of the

International Tutorial and Conference and will have the privilege of distribution of their product's pamphlets/ catalogues during the International Tutorial and Conference. Sponsors will also have the privilege of sending delegates exempted from payment of registration fee as indicated hereunder:

S. No.	Category	Fee in Rs.	Privileges
1.	Platinum Sponsorship	5,00,000	<ul style="list-style-type: none"> • Display of Logo on Main banner & other publicity material • Free Delegates in the Conference (10 Nos.) • Free editorial in the proceedings (2 pages) • Advertisement in Proceedings – Back Page • Advertisement in the Key Journal released covering report of the Conference – Circulation 5000 copies
2.	Gold Sponsorship	3,00,000	<ul style="list-style-type: none"> • Display of Logo on Main banner & other publicity material • Free Delegates in the Conference (06 Nos.) • Free editorial in the proceedings (1 page) • Advertisement in Proceedings – Special Position • Advertisement in the Key Journal released covering report of the Conference – Circulation 5000 copies
3.	Silver Sponsorship	2,00,000	<ul style="list-style-type: none"> • Display of Logo on Main banner & other publicity material • Free Delegates in the Conference (03 Nos.) • Advertisement in side Proceedings

CALL FOR ADVERTISEMENTS

A limited space for insertion of advertisement of various organizations in the Proceedings Volume is being provided. The interested organizations are required to send the advertisement material, i.e. Pdf, JPEG or Corel Draw format alongwith payment as detailed below:

- Back Cover Page Rs. 35,000/-
- Second and Third Cover Page Rs. 25,000/-
- First Opening Page Rs. 20,000/-
- Full Page (A4) (Inside) Rs. 15,000/-

*GST 5% extra.

KEY SPEAKERS

VERCELLOTTI UBERTO – CESI Milano, Italy

Born in 1959, received the Doctor's degree in Electrical engineering from the Milano Polytechnic in 1984 and joined CESI in 1985. Working in CESI he has gained 35th years of experience in the cable sector where he has been engaged in testing different cables and accessories. He worked abroad, mainly in Europe but also in Azerbaijan, Russia and Ukraine from 1998 till 2006. He is involved in Standardization bodies like CENELEC and IEC e.g. Member of IEC - PT 62895 High Voltage Direct Current (HVDC); Chairman, of CEI, CT 20 SC 20A High Voltage, since 2017; member of STL (Short-Circuit Testing Liaison), TG 3 - High Voltage Cables, since 2015; Chairman, IEC International Electrotechnical Commission, TC 89 "Fire hazard testing", since 2003 till 2017, now Vice Chairman of IEC TC 89.

He is author and co-author of several papers delivered in JICABLE, INMR and other important worldwide Conferences.

PIETRO CORSARO, General Manager, NKT Photonics GmbH, Germany

Topics : Monitoring Technologies, Decision Making Criteria and Diagnostic Tools.

Pietro Corsaro is currently Vice President Sensing and General Manager at NKT Photonics GmbH. He has more than 20 years' experience with HV cables and related monitoring systems. Pietro Corsaro holds a Master Degree in Nuclear Engineering and a PhD in Energetics, both from the Polytechnic of Turin, Italy. He covered various functions in Prysmian since 1996 until 2008, when he then joined Brugg Cables in 2009 covering, between the others, the role of CTO. In September 2018 he joined NKT Photonics GmbH (former LIOS) and in January 2019 was appointed to the current position as VP and General Manager.

RUSSELL WHEATLAND is the Convenor of CIGRE Australia Panel B1 – Insulated Cables and a regular member of CIGRE Study Committee SC B1. He has a Bachelor of Electrical Engineering having spent the majority of his 35-year career involved in high voltage testing of all types of primary plant, Power transformers, Instrument Transformers, Switchgear and of course Power Cables.

Mr. Aydar Saitgaleev, is specialist for Plastic processing. He Joined Borouge in May 2019 and is working in Polyplastic (Engineering Plastics compounder). Prior to this he has also worked for 11 years with Borealis (Wire & Cable) and was responsible for CIS countries.

Mr. Tapas Dey is B. Tech in Polymer Technology from Calcutta University, India in the year 1984. He has more than 34 years of rich experience on the subject. He worked with M/s KEC International Cable Division, India for 18 years and with National Insulated Cable Company, India for 9 years. Mr. Dey is working with M/s Borouge since, March 2012.

LALIT SHARMA, Chairman, CIGRE National Study Committee B1 on Insulated Cables and COO, KEI

International Tutorial and Conference on High Voltage Cables, Installation, O&M & Field Experiences
