Sub: CBIP invites articles/case studies for publishing in CBIP prestigious monthly 'WATER & ENERGY INTERNATIONAL Journal' – reg.

Respected Sir,

Greetings from CBIP!

We would like to inform you that the Central Board of Irrigation & Power (CBIP) a Premier Institution has been rendering dedicated services to professional organizations, engineers and individuals in the country and abroad for the last more than 94 years, resulting in accelerated development in the disciplines of Power, Renewable Energy and Water Resources Sectors in the country and abroad. The main objective of CBIP is to disseminate technical knowledge through various modes, e.g., publications of journals, manuals, technical reports, guidelines, organizing conferences/seminars etc. We have published till date about 5000 important publications for the development of these sectors.

CBIP publishes **Water & Energy International monthly journals** for the last 75 years and circulated to all key personnel of the rank of Chief Engineer and above to all Power, Renewable and Water Resources Sectors not only in India and abroad besides 95 top ranking private Power Sector Organizations. This journal is a tool for CBIP to achieve its objective dissemination of technical knowledge in field of Water, Power and RE Sectors and is brought out on monthly basis.

We would like to add here that our journal has already been indexed by various leading agencies like SCOPUS, J-Gate, EBSCO Discovery, Summon (Proquest), Google Scholar, Indian Science Abstracts, Indian Citation Index, Agri-cola, Geobase. The Journal has both print and online versions.

In this important journal, apart from the activities of CBIP, we include articles/papers as received from the various organisation/institutes on Power, RE Sector and Water Resources sectors.

We request all concerned to arrange to kindly contribute papers on Power, RE and Water Resources Sector or on any other topic for inclusion in this prestigious journal. As our esteem members are from Central/State sector utilities, PSUs, Manufacturers, we therefore request to kindly contribute the article based on field studies/practical experience, so that Professionals/readers could be benefitted with your valuable contribution in this journal.

We feel that article/case study submitted from your end will provide excellent value addition /technical input for this journal and the readers are going to be immensely benefitted.

Thanking you and best regards

Yours sincerely
