

# Central Board of Irrigation & Power

An ISO 9001 : 2008 Organization

No. S-1 /CBIP Power

Dated 19<sup>th</sup> March 2016

## All the Professionals in Power Sector

**Sub: All India data base of Senior Experts (with service length more than 25 years) for sharing the mutual experience in the field of Power and Renewable energy Sector – reg.**

Dear Sir,

As you are kindly aware that the main objectives of CBIP is to disseminate technical knowledge through publication of technical literature, manuals guidelines etc and conducting long term and short technical programs, providing consultancy etc. in Power, Water and Renewable energy sectors. CBIP also acts as a think tank and takes up various problem areas which need immediate attention. CBIP is also associated with following international organizations in Power Sector to share the Indian experience with these organizations:

- i. The International Council on Large Electric Systems (CIGRE),
- ii. International Association on Small Hydro (IASH),
- iii. Afro Asian Regional Organization (AARO) etc.

The National Secretariat of these International organizations is housed in CBIP building, Malcha Marg, Chanakyapuri, New Delhi 110021.

CBIP utilizes the expertise of professionals on regular basis in aforesaid activities in the following manner:

- As a faculty in various training programmes for power engineers
- As an expert in the Committee for development/updation of technical manuals
- As an invited speaker in high end workshops/seminars/conferences etc.
- As an expert of the Working Group for any consultancy assignment
- An expert in execution of research projects
- To act as the members of National Committees of International organizations (indicated above)

For last many years CBIP had been maintaining the data of such experts in the country and the last data was captured by CBIP in the year 2011-12. Now we wish to update such data of experts in various disciplines of Power Sector so as to utilise their services for benefit/development in Power Sector.

You, being an expert having rich experience in power sector, we request you to kindly send your data for registering you as an expert. Please do it by filling your details in the format by clicking the line \_\_\_\_\_ given on our website i.e. [www.cbip.org](http://www.cbip.org). This data will prove to be very useful and go a long way in providing various services/ activities, as are required in the development of the Power Sector of our country.

We also request you to kindly inform other professionals in touch with you to send their details. The experts with service length of more than 25 years are only eligible for registration.

An early action in the matter is solicited please.

Thanking you

Yours faithfully,

**V.K. Kanjlia**  
Secretary
