

Conference on Circuit breakers and Protection Testing

20-21 November 2014
CBIP Conference Hall, New Delhi

Organised by

CIGRE India

Sponsored by

Megger[®]

Central Board of Irrigation and Power
Malcha Marg, Chanakyapuri, New Delhi 110021

ANNOUNCEMENT

Central Board of Irrigation & Power (CBIP) a Premier Institution has been rendering dedicated services to professional organizations, engineers and individuals in the country and abroad for the last more than 87 years, resulting in accelerated development in the Water Resources and Power sector including Renewable Energy Sector in the country and abroad. The main objective of CBIP is to disseminate technical knowledge through various modes, e.g., organizing conferences/ seminars at National & International level, publication of journals, manuals, technical/ research reports, guidelines, etc. and also through training to the professionals.

As you aware that in an electric power system, circuit breakers are used to control, protect and isolate electrical current system. Besides this, circuit breaker is playing an important role in a power system as it is directly linked to the reliability of the electricity supply. A malfunction in the circuit breaker, however, can create severe problems to the system. Additionally, malfunctions within the circuit breaker can also result in damage to the breaker itself.

CBIP with the aim to improve the knowledge of professionals about the latest developments in Circuit Breakers and testing are organizing this Conference on "**Circuit Breaker and Protection Testing**" in association with CIGRE India and Megger on 20 – 21 November 2014 at Conference Hall of CBIP, New Delhi.

TOPICS TO BE COVERED WITH CASE STUDIES:

- Developments in HV/EHV Breakers
- Basics of Breaker Testing and Challenges in EHV Breaker Testing
- Vibration Testing
- GIS Breaker Testing
- Recommendation and Practices of Technology as per various IEC and other standards
- First Trip Testing
- Case Studies - Covering some critical breakers.

FACULTY

The eminent International Experts from Megger Germany & Sweden have already confirmed their presence as faculty during the Conference. We shall also invite experts from CEA, POWERGRID, NTPC, BHEL and State Utilities etc. for delivering expert lecture/case study during this Conference.
