PROGRAMME ON

IGNITED MINDS – FOR ORGANIZATIONAL EXCELLENCE

2nd - 3rd March, 2015

Conference Hall, CBIP

Malcha Marg, Chanakyapuri, New Delhi

Organised by

Central Board of Irrigation & Power

ABOUT CBIP

CBIP has been organizing number of national and international training programmes to help the Indian engineers to update their knowledge and help them to gain practical know how in the field of power, renewable energy and water resources. CBIP is an ISO 9001:2008 certified organization and has been recognized by Ministry of Power as per the Indian Electricity Regulations. CBIP has been conducting seminars, workshops, consultancy assignments in advance technology. The institute has also been conducting PGDC in Thermal (52 weeks) for engineers, PDC (52 weeks) Thermal for diploma holders and PGDC in T&D (26 weeks) programme for fresh pass out engineers in the area of Electrical, Mechanical, Electronics and Control & Instrumentation. The curriculum being followed is as per the Indian Electricity Regulation 2010.

PROGRAM OVERVIEW

Excellent today will no longer remain excellent tomorrow. Organizations, world over, are continuously evolving and rising to higher and higher planes of performance. This leaves organizations, big or small, with only two options: Evolve or Expire. And, mindset of employees plays the most crucial role in evolution and growth of any organization, and vice versa. Thus, every organization necessarily ought to focus on transforming mindset of all its team members for creating excellence.

AIM

To provide deeper insights to the participants with an aim to give an environment to the participants having a retrospect of their minds and helping them in transforming the same and make them geared up for creating Organizational Excellence on a sustained basis. Central Board of Irrigation and Power is organizing a Workshop on **Ignited Minds for Organizational Excellence** on 2 - 3rd March, at New Delhi.

PROGRAMME PROFILE

The workshop covers a wide range of topics in-depth. It provides a forum for the participants to gain deeper insights on the subject, which can be applied practically in their area of work immediately. Some of the key areas that will be deliberated during the course of two days workshop include:

- Aiming for higher organizational goals
- Creating Peak Performance through Synergy
- Developing mindset filled with passion and zeal for excellence
- Endeavouring for constant evolution through learning & growth
- Achieving Optimum Resource utilization, etc.

Methodology would be based on experiential learning through games, exercises, presentations and group participation.

FACULTY

Shammi Sukh, winner of six awards and a well-known Author, Trainer and Motivator, will be the resource person for conducting the workshop.

Shammi Sukh, Addl. General Manager (Retd.), headed the Human Resource Development department of Bharat Heavy Electricals Limited for over a decade. Having authored 27 books to his credit on various human behaviour-related topics, has addressed

over 50,000 participants all over India. He graduated from MANIT, Bhopal in Mechanical Engineering, in the year 1975. He has over 38 years of rich experience in various disciplines, viz. Boiler Commissioning, Manpower Planning, Technology Development, and Human Resource Development.
