

CONTENTS

	Page No.
FOREWORD	(iii)
1. Introduction	1
2. Objective	2
3. Scope of Study	2
4. Heat Balance Equation (Steady State)	3
5. Heat Equation for Short Time Ratings	7
6. Data of Parameters Effecting the Thermal Rating of Conductors in Indian Conditions	9
7. Experimental Verification of Heat Balance Equation	15
8. Transmission Conductors Current Ratings	17
9. Current Rating Tables	19
10. Conclusions	19
11. Annexure-I: Solar Radiations at Lucknow	22
12. Annexure-II: Experimental Verification of CIGRE Formulation	23
13. Transmission-Line Conductor Current Rating Tables	25-131
