ANNOUNCEMENT

Central Board of Irrigation and Power (CBIP) in association with Central Electricity Authority (CEA) & SDA Bocconi is organizing an International Immersion Program on Leadership Development and Innovation (Batch-II) for Indian power professionals in higher management.

The venue for the program will be SDA, Bocconi, Italy and Zurich, Switzerland.

ABOUT THE PROGRAM

The International Immersion Program on Leadership Development and Innovation (Batch-II) is a nine (09) days, fully residential program designed for Indian power professionals in higher management. This program will focus on leadership enhancement, innovation, change management, digitalization, artificial intelligence, and best practices relevant to the Indian Power Sector.

Participants will receive hands-on classroom training at SDA Bocconi and take part in industry visits in Milan (Italy) and Zurich (Switzerland), gaining exposure to advanced practices and the latest technological developments in leading manufacturing sectors.

ABOUT SDA BOCCONI

SDA Bocconi, a renowned management institute, was founded with a vision: to support individuals, organizations, and institutions in continuous improvement and transformation, opening new pathways for growth towards the future.

Its educational approach is hands-on, modern, and shaped by real-world scenarios. At its core lies academic research, essential for understanding the present and providing key tools to rethink tomorrow, focusing on tangible change.

Passionate, creative, and above all, risk-taking — these are the people who choose to dive into the transformative experience at SDA Bocconi. Professionals and entrepreneurs with a pioneering spirit, ready to reimagine themselves and the future, turning possibilities into achievements.

SDA Bocconi research, re-think, and reimagine the future. Tomorrow is a shared goal, achievable through excellence in education aimed at creating positive impact and measurable outcomes.

It drives MBA programs, specialized full-time and executive master's programs, custom and executive education programs.

ABOUT CBIP

The Central Board of Irrigation and Power (CBIP), a premier institution, was constituted in 1927 by the GoI. It is serving the Nation in the disciplines of Water Resources, Power, Renewable and Allied Sectors for more than 98 years.

The main objective of CBIP is dissemination of technical knowledge through various modes, such as:

- Organizing National and International Conference, Symposiums, Seminars, Workshops and Training Programs etc.
- Publication of technical documents e.g. manuals, technical reports, guidelines and journals etc.
- To provide information about technological developments to the engineers/ professionals & other stake holders.
