

**CBIP Celebrate Legacy of the past 98 years
to pave the way for the future through**

Launch of TechXchange 2025 - 27

(A series of knowledge sharing sessions focused on serving the Nation for preparing a next generation of professionals to lead a future-ready water, power and allied sectors through knowledge transfer)

**List of sessions planned in January 2025
in the Conference Hall, CBIP at Malcha Marg, New Delhi**

SN	Dates	Days	Topics	Link for Brochures
1	1	Wednesday	New Years	
2	2 - 3	Thurs.- Friday	Workshop on Direct Taxes	Click Here To View Brochure
3	4 - 5	Sat. - Sunday	Holiday	
4	6 - 7 - 8	Mon.-Tue.-Wed.	National Conference on Cyber security in Power sector – collaboration is the key to success - under the aegis of CIGRE NSC D2	Click Here To View Brochure
5	9 - 10	Thurs.- Friday	Conference on Future Trends and Innovations in Sprayed Concrete for Underground Structures	Click Here To View Brochure
6	11-12	Sat. - Sunday	Holiday	
7	13	Monday	Workshop on Integrated Water Resources Management (IWRM)	Click Here To View Brochure
8	14 - 15	Tue. – Wed.	Conference on “Advances in Rock Mechanics for Sustainable Infrastructure and Underground Excavation Projects” – in association with ISRM	Click Here To View Brochure
9	16 -17	Thurs.- Friday	National Tutorial on Resource adequacy for better Power Portfolio Management	Click Here To View Brochure
10	18 - 19	Sat. - Sunday	Holiday	
11	20	Monday	Conference on Pumped Storage for Sustainable Power Systems: Implementation Challenges and way forward	Click Here To View Brochure
12	21 - 22	Tue - Wed.	Conference on “Innovative Applications of Geosynthetics in Sustainable Infrastructure and Environmental Protection” in association with IGS	Click Here To View Brochure
13	23 - 24	Thurs.- Friday	Hands-on training using software on “Numerical Analysis of Concrete Gravity Dams” <ul style="list-style-type: none"> • Day1: 3D Modelling and static analysis with soil/rock foundation and • Day 2: Seismic analysis of concrete gravity dam including fluid-structure interaction. 	Brochure Available Soon
14	25 - 26	Sat. - Sunday	Holiday	
15	27	Monday	Seminar on Climate Change Resilient Insulators and associated Hardware for Long-Term Grid Reliability	Click Here To View Brochure
16	28 – 29	Tue.– Wed.	Conference on “Cutting-Edge Technologies and Sustainable Practices in Tunneling for India’s Infrastructure Boom”	Click Here To View Brochure
17	30 – 31	Thurs.- Friday	National Conference on Sustainable Energy Transition and Achieving Carbon Neutrality in the Power Sector	Click Here To View Brochure
