from the Chairman, KSEB.

ORDER

As per Government Order read as first paper above Government have issued policy guidelines for the development of the wind power in Kerala through private developers. Later vide Government order read as second paper above part III of the guidelines for the development of Wind Farms in Private land has been revised and as per Government Order read as third paper above some modifications were incorporated in clause 3.2.2 of the revised guidelines.

2. As per the letter read as 4th paper above the Chairman, KSEB informed that in clause 3.5.3 of policy guidelines issued vide Govt. Order read as second paper above, the amount of Rs. 20 lakhs was tentatively fixed years back and hence he has requested to modify the above clause.

3. The clause 3.5.3 stipulates that an amount of Rs. 20 lakhs per MW shall be payable by the developer as IDC (Infrastructure Development Charges). Even if the investment in drawing transmission lines is met by the developer himself this amount is payable and the actual amount spent by him is subsequently reimbursed.

21 99

lakhs/MW which may well exceed the actual cost in providing the transmission facilities.

4. In the circumstance Government are pleased to modify clause 3.5.3 of the guidelines issued vide Government Order read as second paper above, as shown below:

"The JDC may be limited to the actual costs involved in drawing the transmission lines and also the actual costs of works required in the substation side as per the estimate prepared by KSEB with the flexibility given to the investor to implement the drawing of transmission lines directly by paying the supervision charges to KSEB".

5. Government Orders read as 1st to 3rd above will stand modified to this effect.
